

MAR AUGUSTHINOSE COLLEGE RAMAPURAM

Analysis Report on Student's Feedback 2019-2020 on Syllabus and its Transaction at the Institution

The student feedback is an attempt by the institution at scrutinizing the efficacy of syllabus transaction and the overall efficiency of the teaching and learning process. 75% of the students strongly agreed that the curriculum is based on the needs of the stake holders. 70% of the students agreed that course objectives and outcomes are well defined and clear to the faculty and students. 67% of the students opined that sufficient no. of text / reference books are available for the courses. More than half of the students strongly agreed that the course curriculum has a good balance between theory and application. Most of the students strongly agreed that course curriculum has enhanced their interest in the subject. More than half of the students strongly agreed that the infrastructure facilities such as class rooms, reading rooms, labs etc are adequate and well maintained. 61% of the students agreed that tests and examinations are conducted well in time and results announced in time. 70% of the students opined that curriculum provides opportunity for research and project related activities. Almost 70% of the students agreed to the fact that curriculum has focus on skill development, analytical ability, applicability and practical orientation to real life situations. 70% of the students agreed that the faculty have adequate representation in curriculum planning and revision. Most of the students agreed that the distributions of credits to various courses are fair, just and even. 70% of the students opined that curriculum content is not a burden, it includes contemporary topics and it provides freedom and flexibility to adopt new techniques of teaching. Most of the students opined that the entire program is adequate and excellent.
