Red Hat Academy

Red Hat Academy is an educational program offered by Red Hat, a leading provider of open source software solutions. The program is designed to provide students and educational institutions with access to Red Hat's training and certification programs, as well as its extensive curriculum of open-source technologies.

The objectives of the Red Hat Academy program are as follows:

1.To help educational institutions to develop and maintain open-source curricula that meet the needs of the industry.

2.To offer students and educators access to Red Hat's training and certification programs, enabling them to gain expertise in open-source technologies.

3.To prepare students for in-demand IT careers in areas such as system administration, cloud computing, DevOps, and more.

4.To foster a community of open-source enthusiasts who can contribute to the development of open-source software and technologies.

Overall, the Red Hat Academy program aims to equip students with the skills and knowledge they need to succeed in the IT industry, while also promoting the use and development of open-source technologies.

Hi,

Thank you for your registering and participating in the virtual Mega Conclave on **"Opportunities for Freshers in Red Hat Technologies | Cloud and Automation"** hosted by Red Hat in association with ipsr solutions limited and 40+ Red Hat Academy Colleges in India on Friday, 05 Nov 2021**. You can download your participation certificate from IPSR's LMS portal after completing the assessment quiz provided there.** Your access to the LMS will expire on 25th November 2021.

LMS URL: lms.ipsr.org
Username: sunilkjoseph@mac.edu.in
Password: Lms@1234
(If you have previously used IPSR deQ (LMS portal), then you can try with your previous password in order to log in.)

Login Guidelines

After signing into deQ LMS, you can see a link named **"Red Hat Mega Conclave"** under the 'My courses' displayed in the left panel. Open that link to download your participation certificate, after completing the Quiz provided there.

If you have partially or fully missed the webinar, you can **watch the recording of the session provided in the LMS,** and thereafter you can attend the quiz to download the certificate.

Thanks and Best Regards,

Jaimon Kuriakose

Red Hat Mega Conclave

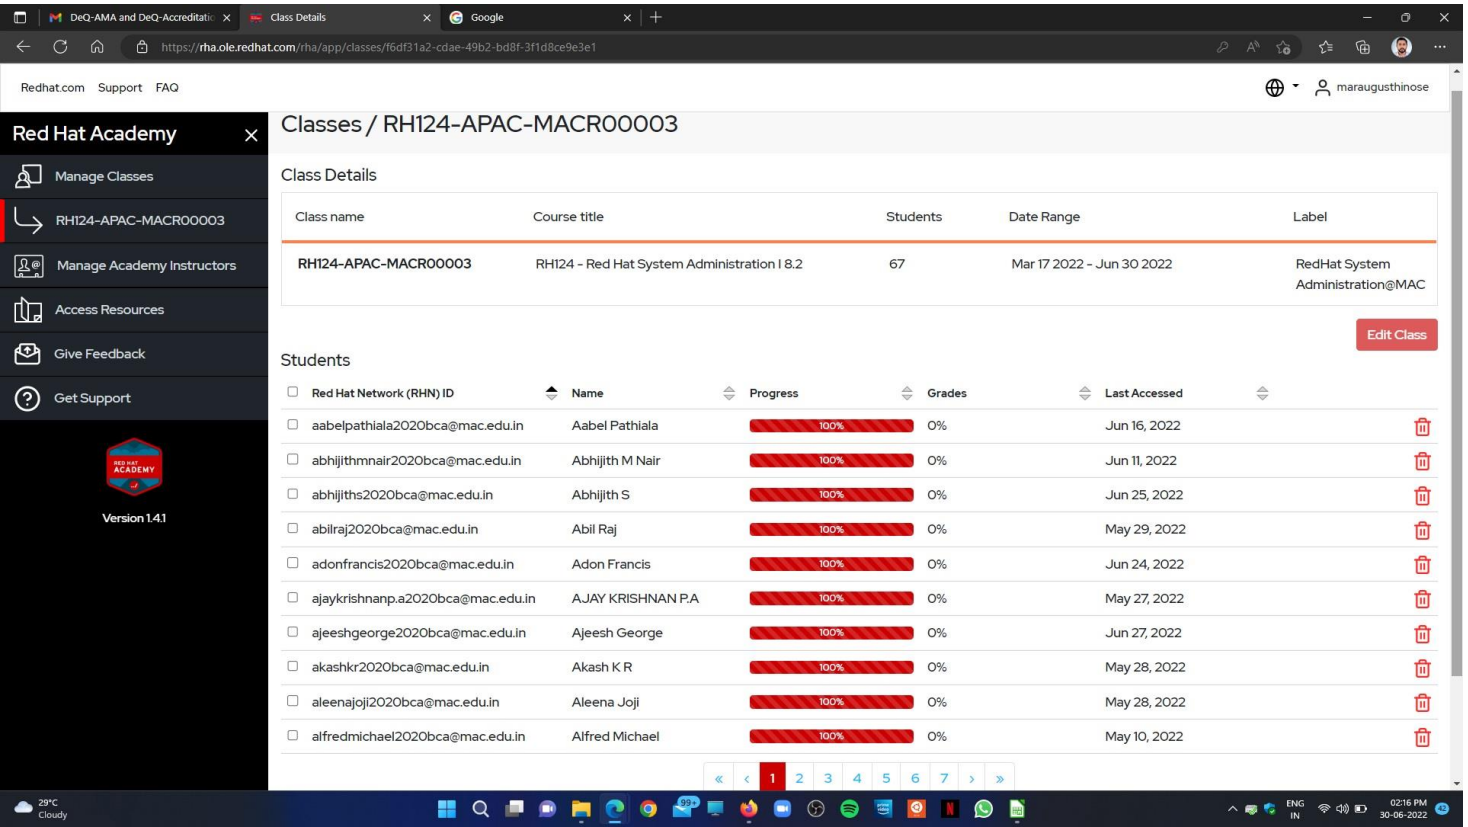
Mar Augusthinose College, Ramapuram, Kottayam in association with RedHat, IPSR and other Red Hat Academy colleges organised a virtual Mega Conclave on Opportunities for Freshers in Red Hat Technologies | Cloud and Automation on Friday 5th November 2021 from 06:00 pm to 08:00 pm. The Mega Conclave was aimed at job seekers who wish to identify the technologies and career fields which are booming during this Covid19 pandemic, Ongoing Students and 2021 passed out candidates who want to utilise the benefits of Red Hat Academy and Faculty members of HEIs who wish to explore the possibilities of Red Hat Academy.

Dr. Mendus Jacob, MD & CEO IPSR group welcomed the gathering. Mr. Ramesh Padmanabhan, Director Red Hat GLS India and Mr. Amel Mathai, Technical Delivery Manager Red Hat GLS India led the sessions. They told about the immense opportunities for students in the field of Cloud computing and Automation. They also gave details of the various courses offered by Red Hat Technologies in this field.

The event was a great success, it gave students and faculties real insight to Red Hat Technologies used in Cloud and Automation. Participation Certificate and event recordings were provided to the registered Candidates through IPSR's LMS.

Red Hat Academy Challenge 2022

Red Hat- The world's leading Open Source Company in association with IPSR solutions limited conducted an Online Contest "Red Hat Academy Challenge 2022" for the students of Red Hat Academy Colleges during the month of January 2022. 197 students from second and final year BCA programme participated in the challenge. Mr. Arun S (S6, BCA) came under Top 10 participants & Ms. Aleena Joji (S4, BCA) won the Complimentary Prize in the contest.



Red Hat System Administration – I (RH124)

Red Hat Academy Mar Augusthinose College, Ramapuram, conducted an online course Red Hat System Administration-I (RH124) for the second year BCA students starting from 17th March 2022. This course was a 15 hour long free online course offered by Red Hat through Red Hat Academy.

Red Hat System Administration – I (RH124) equips students with Linux administration skills by focusing on foundational Linux concepts and core tasks. The course was based on Red Hat Enterprise Linux 8.2. Through this course, students learned how to apply command-line concepts and enterprise-level tools.

A total of 66 students enrolled for the course. 62 students out of 66 successfully completed this online course and got their certificates.
